बलदेव पसरीचा,  
महाप्रबंधक

### रेल वर अधिकरण के समक्ष

(रेल वर अधिकरण नियमावली 1959 के नियम 19(3) और (4) के अधीन जारी की गयी सार्वजनिक सूचना)

1973 की शिकायत सं० 1 (सिकन्दराबाद)

वि आंत्र प्रवेश सं० 1 पेपर मिल्स लिमि- — शिकायतकर्ता  
टेड, राजमहेन्द्री

बनाम

भारत संघ जो दक्षिण मध्य रेलवे का मालिक है और जिसका प्रतिनिधित्व उक्त रेलवे के महाप्रबंधक द्वारा किया जाता है } प्रत्यर्थी

यतः शिकायतकर्ता ने, जो कागज, कागज के फलक और उससे संबंधित अन्य सामानों के उत्पादन के लिये 1964 में निर्मित एक पंजीकृत सार्वजनिक लिमिटेड कंपनी है, यह बताते हुए भारतीय रेल अधिनियम 1890 की धारा 41(1) के अधीन शिकायत पेश की है कि वे दक्षिण मध्य रेलवे की बड़ी लाइन के राजमहेन्द्री पर स्थित अपने कारखाने के लिये उसी रेलवे की गुन्टूर-गुन्तकल्लु मीटर लाइन के नंघाल, गाजुलपल्लि, बसवपुरम्, दिगुबेट्ट कम्बम, भाकीपुर रोड़ चेलमा जैसे अनेक स्टेशनों से प्रतिवर्ष लगभग 25,000 मी० टन के कटे

बांस ताडेपल्ली स्टेशन पर यानान्तरित कराके, प्राप्त करते हैं। भारतीय रेल सम्मेलन संस्था की माल भाड़ा सूची सं० 33 भाग II के अनुसार कटा बांस जो कागज के उत्पादन की कच्ची सामग्री होता है फुटकर माल के रूप में लादे जाने पर वर्ग 60 के अधीन और वैगन भार के रूप में लादे जाने पर वर्ग 40 के अधीन प्रभारित किया जाता है वैगन-भार दर प्राप्त करने के लिए मीटर लाइन पर 90 क्विंटलों की न्यूनतम भार वाली शर्त लगायी गई है; फिर भी मीटर लाइन पर लागू न्यूनतम भार की यह शर्त उपर्युक्त स्टेशनों से प्राप्त शिकायतकर्ता के यातायात के मामलों में 60 क्विंटल तक कम करके लगायी जाती है; पूरा लादने के भरसक प्रयत्न के बावजूद इस कमीकृत न्यूनतम भार की शर्त का पालन करना शिकायतकर्ता के लिये संभव नहीं हुआ है; उनको मी० ला० के चौपहिये खुले वैगन में केवल 45 से 50 क्विंटल तक ही लादना संभव हुआ है और यह भार मीटर लाइन के चौपहिए बन्द वैगनों में तो, जो प्रत्यर्थी द्वारा उक्त स्टेशनों से राजमहेन्द्री तक कट बांस के उनके यातायात के परिवहन के लिये दिये जाते हैं, और भी कम होकर 25 से 38 क्विंटल तक पहुँच जाता है; बड़ी लाइन के चौपहिए वैगन और मीटर लाइन के चौपहिए वैगन में परिवहित कटे बांस के लिये लगाये जाने वाले भाड़ा-प्रभार की संगणना के आधार में अन्तर रहता है—बड़ी लाइन के चौपहिए वैगन के मामले में वैगन के फर्श क्षेत्र के आधार पर जो लाभ कर होता है, और मीटर लाइन के चौपहिए वैगन के मामले में 60 क्विंटलों की न्यूनतम भार वाली शर्त पर, जो अनुचित है, प्रभार लगाया जाता है; वे अनुचित या अयुक्त पक्षपात या प्रतिकूल अवस्था के भी शिकार हो गये हैं क्योंकि यां बांस के वैसे ही यातायात के लिए दि वेस्ट कोस्ट पेपर मिल्स लिमिटेड, डाण्डेली के मामले में प्रति मी० ला० चौपहिया-वैगन के लिये प्रत्यर्थी द्वारा 55 क्विंटल का न्यूनतम भार निर्धारित किया गया है जब कि शिकायतकर्ता के मामले में वह न्यूनतम भार 60 क्विंटल है और इन दोनों के मामलों में लादे जाने वाले कटे बांस की स्थिति या गुण में किसी भी प्रकार का अन्तर न रहता है; इसलिये प्रत्यर्थी द्वारा भारतीय रेल अधिनियम 1890 की धारा 28 के उपबन्धों का उल्लंघन हुआ है।

और यतः शिकायतकर्ता ने प्रार्थना की है कि:—

- (1) उपर्युक्त प्रत्येक स्टेशन से राजमहेन्द्री तक कटे बांस के उनके यातायात के परिवहन के लिये

प्रत्यर्थी द्वारा लगायी जाने वाली दर को अनुचित घोषित किया जाय;

- (2) शिकायत की तारीख से वैसे माल यातायात के लिये उचित दर निर्धारित की जाय ;  
(3) प्रत्यर्थी को भारतीय रेल अधिनियम 1890 की धारा 28 का उल्लंघन न करने की हिदायत दी जाय; और  
(4) इत्तर अनुतोष दिये जाय।

और यतः यह समझा जाता है कि और भी इस प्रकार के व्यक्ति होंगे जो रिकार्डों में नहीं हों परन्तु जिनका, उपर्युक्त शिकायतकर्ता या प्रत्यर्थी के जैसे इन कार्यवाहियों में समान हित हो।

अतः यह सार्वजनिक सूचना दी जाती है ताकि जो चाहे वह इस सूचना के प्रकाशन की तारीख से 30 दिनों के अन्दर इस शिकायत में प्रार्थित अनुतोष की पुष्टि में या विरोध में प्रविष्ट होने की अनुमति के लिये या शिकायतकर्ता अथवा प्रत्यर्थी के पक्ष में जोड़े जाने के लिये प्रस्तावित प्रवेश के लिये आधार या कार्यवाहियों में अपनी स्थिति और हित या उपर्युक्त शिकायत में एक पार्टी के रूप में जोड़े जाने के आधार स्पष्ट करते हुए अधिकरण को आवेदन पेश कर। अधिकरण द्वारा इस सूचना के बाद जो भी फैसला दिया जायगा वह वैसे सभी लोगों पर लागू होगा।

आज 9 (माह) अक्टोबर की तारीख को नं० 11 बोट क्लब रोड़, राजा अण्णामलैपुरम मद्रास में, मेरे हस्ताक्षर और अधिकरण की मुहर के अधीन दिया जाता है।

एन वी० सुब्रमणियन, सचिव  
रेल दर अधिकरण

Indraprastha Marg, Post Box No. 268

New Delhi-1, the 1st October, 1973

No. 5-CA(1)/15/1973-74.—With reference to this Institute Notifications (1) 4 CA(1)/17/71-72 dated 18-12-1971 (2) 4 CA (1)/19/72-73 dated 17th January, 1972, it is hereby notified in pursuance of Regulation 18 of the Chartered Accountants Regulations, 1964, that in exercise of powers conferred by Regulation 17 of the said Regulations, the Council of the Institute of Chartered Accountants of India has restored to the Register of Members, with effect from

the dates mentioned against their names the names of the following gentlemen :—

Sl. No.	Member-ship No.	Name and Address	Date of Restoration
1.	5968	Shri K. Ramamurthy, A.C.A., The Andhra Bank Ltd., P. B. No. 146, Sultan Bazar, Hyderabad-1.	24-9-1973
2.	6960	Shri Terence Edmund Fernandes, A.C.A. C/o The Raymond Woollen Mills (Kenya) Ltd., P. O. Box 735, Eldoret, Kenya.	25-9-1973
3.	8986	Soumen Dey, A.C.A., 3020, Edwin Avenue (Apartment No. 1D), Fortlee, New Jersey, N. J. 07024, U.S.A.	25-9-1973

C. BALAKRISHNAN,  
Secretary.

## INDUSTRIAL FINANCE CORPORATION OF INDIA

New Delhi, the 4th October 1973

No. 4/73.—In continuation of Notification No. 3/73, dated the 13th September, 1973, it is hereby notified that at the Annual General Meeting of the shareholders of the Corporation held on the 27th September 1973, Shri N. S. Sapkal, Chairman, The Maharashtra State Cooperative Bank Ltd. Sir Vithaldas Thackersey Memorial Building, 9-Bakehouse Lane, Bombay-1, was elected a Director to represent the cooperative banks, which are the shareholders of the Corporation.

BALDEV PASRICHA  
General Manager.

## AGRICULTURAL REFINANCE CORPORATION

Bombay, the 27th September 1973

No. G.S.R.—In pursuance of Section 32(2) of the Agricultural Refinance Corporation Act, 1963 (10 of 1963), the report of the Board on the working of the Corporation for the year ended 30 June 1973 and the balance sheet and the profit and loss account of the Corporation for the year ended 30 June 1973 are published hereunder :

### AGRICULTURAL REFINANCE CORPORATION

#### Tenth Annual Report 1972-73

On 30 June 1973 the Agricultural Refinance Corporation completed ten years of operation with total disbursement of Rs 219 crores and total commitment of Rs 501 crores. During the year July 1972 to June, 1973, the Corporation disbursed refinance assistance of Rs 94 crores, inclusive of Rs 29 crores transferred from loans disbursed by the land development banks in four States under their normal programmes to IDA Credit Projects. Disbursement during 1971-72 was Rs 35 crores. The percentage of disbursement during the year, excluding Rs 29 crores referred to above, increased to 47 per cent of commitment from 40 per cent during 1971-72. This step-up of disbursement supplemented the special assistance provided by the Government of India directly to the States under the emergency agricultural production programme for rabi crops.

The aggregate investment in various schemes sponsored by the Corporation during the last ten years is roughly estimated at about Rs 280 crores, inclusive of the contributions of member-banks, state governments and the beneficiaries. Ten years of ARC activity have been instrumental in transforming approximately 5.30 lakh hectares into multiple cropped irrigated farms, with the help of 77,000 tubewells, 1,09,000 dugwells and installation of 2,12,000 pumpsets, electric or diesel. About 3.25 lakh hectares of land in the command area of major irrigation projects have been developed to receive water for raising irrigated crops and 2.09 lakh hectares have been developed under soil conservation. The area brought under various types of plantation is as under:—

Hectares						Hectares					
Tea	..	..	..	..	..	1,700	Coconut	..	..	..	6,800
Coffee	..	..	..	..	..	6,200	Areca nut	..	..	..	810
Rubber	..	..	..	..	..	1,600	Apples	..	..	..	5,800
Cardamom	..	..	..	..	..	2,300	Citrus and other fruits	..	..	..	2,800

The other activities which have received assistance from the Corporation are:

Mechanized boats for fishing	..	..	..	..	..	507
Tractors	..	..	..	..	..	2,800
Storage	..	..	..	..	..	5,50,000 tonnes capacity
Milch cattle	..	..	..	..	..	3,800
Poultry	..	..	..	..	..	26 farm houses and 57,500 chicks.

The Corporation proposes in future to assess on a continuing basis the impact of the assistance provided on the economy of the project areas and the totality of incremental income generated in these areas.

The bulk of the Corporation's refinance assistance has been for schemes of minor irrigation and land development, which accounted for 77 per cent and 12 per cent, respectively, of total disbursement at the end of June 1973 (see Table 1). During the years, out of 230 schemes with financial assistance of Rs 197 crores sanctioned by the Corporation, 151 involving financial assistance of Rs 176 crores were for minor irrigation and land development (Statement 2). Diversification is now receiving active attention. Even under minor irrigation, new schemes for sprinkler irrigation, lining of water courses and reclamation of saline lands have been sanctioned. Schemes for other activities such as farm mechanization, plantation and horticulture, fisheries, poultry, dairy and storage facilities are being promoted.

	9.71 (76.76)	4.41 (24.71)	9.70 (33.92)	11.20 (36.58)	10.75 (30.73)	17.99 (27.80)	6.94	70.70 (32.31)
GRAND TOTAL	12.65 (100.00)	17.84 (100.00)	28.60 (100.00)	30.62 (100.00)	34.98 (100.00)	64.72 (100.00)	29.42	218.83 (100.00)

Figures within parentheses are percentages of the total.

Of the aggregate disbursement of Rs 219 crores as on 30 June 1973, about 32 per cent has been in the Southern region, 25 per cent in the Western region and 26 per cent in the Northern region. Of the balance, 14 per cent flowed to the Central region, 2 per cent to the Eastern region and 0.5 per cent to the North Eastern region (see Table 3). In earlier years, the Corporation laid emphasis on quick yielding schemes to increase the potential for agricultural production. Ready availability of the necessary infrastructure, namely, strong institutional credit structure, competent administrative and technical organization and quick collection of groundwater data facilitated expeditious progress in the first three regions: Andhra Pradesh and Tamil Nadu in the south, Maharashtra and Gujarat in the west and Punjab and Haryana in the north are notable examples. Sustained efforts to strengthen the institutional structure for agricultural investment in other regions are now beginning to produce results. Assistance to Uttar Pradesh, for instance, was nil in 1963-68, but rose from Rs 1 crore in 1968-69 to Rs 6 crores in 1971-72 and further to Rs 11 crores in 1972-73. Madhya Pradesh is expected to absorb larger assistance from the current year when the IDA supported programme in that state is implemented. In Bihar, a programme involving total investment of over Rs 30 crores is likely to be finalized soon. Similarly, a number of schemes in Orissa are under examination. West Bengal and the North Eastern region pose special problems which can be overcome only with patient understanding, steady effort and greater local initiative. In the Central, Eastern and North Eastern regions generally, there are chronic deficiencies in the infrastructure, the co-operative credit organization is weak and the recent spread of commercial banking is still relatively thin.

About 89 per cent of the Corporation's refinance assistance so far has been disbursed through land development banks, 5 per cent through state co-operative banks and 6 per cent through commercial banks (see Table 2). During the year out of 230 schemes sanctioned by the Corporation, 116 involving financial assistance of Rs 164 crores constituting 84 per cent of the financial assistance were to be implemented through the central land development banks (Statement 4). The share of the land development banks remains substantial due to the organization and expertise developed by them over the last three decades for long and medium term investment in agriculture. Most of the land development banks have taken or are taking steps to strengthen their appraisal and follow-up and to streamline their procedures. Since 1970-71, commercial banks are coming forward on an increasing scale to avail themselves, primarily, of the Corporation's technical, rather than refinance, assistance. More recently, they have taken up active involvement in IDA projects in Andhra Pradesh, Haryana, Mysore, Maharashtra, Madhya Pradesh and Uttar Pradesh. They are expected to participate to a much greater extent in future projects, particularly in the Central, Eastern and North Eastern regions. They would also be the main agency for financing of such diversified activities as plantations, poultry, fishery, dairying and storage and market facilities. Commercial banks have generally realized that

they have to develop a proper grass-root organization with requisite technical competence in order to fulfil what is expected of them in comprehensive financing of agriculture.

#### Sources of Finance

Out of the total assistance of Rs 219 crores disbursed so far, Rs 10 crores has been financed from share capital and reserves, Rs 125 crores from Government of India (of which Rs 45 crores was in respect of IDA/IBRD credits), Rs 38 crores from Reserve Bank of India (including nearly Rs 4 crores short-term accommodation), and Rs 39 crores from market borrowings. Till 30 June 1973, the Corporation has made commitments to provide financial assistance of Rs 501 crores. Allowing for disbursement of Rs. 219 crores so far, commitments of Rs 282 crores are carried forward. Besides, schemes involving possible outlay of Rs 156 crores are being processed and more are in the pipeline.

#### Share Capital

The borrowing power of the Corporation is restricted by statute to 20 times the paid up capital and the reserve fund. As on 30 June 1972, the paid up share capital of the Corporation was Rs 10 crores, of which the first Rs 5 crores was raised in 1963 and the second Rs 5 crores in 1972. To ensure adequate borrowing power in the context of the increasing volume of disbursement, the Corporation invited subscription in May 1973 to its third share issue of Rs 5 crores. This issue was fully subscribed, raising the total share capital after the end of the accounting year to Rs 15 crores on 1 July 1973. The dividend guaranteed by the Government of India has been maintained at 4.50 per cent.

The contribution of various categories of share holders to the share capital of the Corporation as on 30 June 1973 and as on 1 July, 1973 is as follows :—

Institution	30 June 1973			1 July 1973		
	No. of share-holders	Shares		No. of share-holders	Shares

#### Borrowings from Government of India

As on 30 June 1973 the borrowings of the Corporation from the Government of India stood at Rs 125 crores. The availability of funds from the Government of India during the year 1972-73 was limited mainly to the reimbursement of the equivalent of IDA credit drawn : Rs 41 crores being the rupee equivalent of IDA credit drawn and Rs 7 crores under general budget provision.

#### Market Borrowings

The Corporation has been endeavouring to raise larger resources from the market. During the year, the Corporation floated the fourth series of bonds amounting to Rs 11 crores at 5.75 per cent per annum with maturity period of 12 years. This brings the aggregate amount so far raised from the market to Rs 39 crores. An analysis of the subscriptions received is indicated below :—

Subscribers	Bond Series				Total
	I	II	III	IV	
1. State Bank of India and subsidiaries .. .. .	2.81	2.99	1.86	3.31	10.97

*Borrowings from Reserve Bank of India*

The Corporation's statute was amended in August 1971 to enable it to borrow from the National Agricultural Credit (Long-term Operations) Fund of the Reserve Bank of India. After borrowing Rs. 30 crores during 1972-73 from this Fund, the balance outstanding as on 30 June 1973 stood at Rs 34.50 crores. These borrowings are repayable in 10 equal annual instalments. The Corporation has also arranged with the Reserve Bank to borrow money for short periods not exceeding 18 months to meet temporary needs. The Corporation was sanctioned by the Reserve Bank a limit of Rs 15 crores for this purpose and the outstanding under this head as on 30 June 1973 was Rs. 3.70 crores.

*Repayments*

The return flow of funds into the Corporation by way of repayments during the decade has not been substantial, as most of the refinance in the initial years was by way of contribution to the special development debentures of land development banks having a maturity of 9 to 15 years and repayable in one lump sum at the time of maturity. Annual repayments have hitherto been received mainly from state co-operative banks and commercial banks which have taken only a small portion of the total assistance.

Year	Repayments (Rs. Crores)
1967-68	0.01
1968-69	0.08
1969-70	0.11
1970-71	0.58
1971-72	0.50
1972-73	1.42
	2.70

Annual repayments have been stipulated in respect of special debentures floated recently by land development banks under IDA Projects. The impact of this change on repayments would be felt in the coming years.

*IDA Credits*

The Corporation has so far received from Government of India assistance of Rs 44 crores in respect of IDA assisted projects and Rs 1.20 crores in respect of IBRD-assisted project, which together constitutes 20 per cent of Corporation's aggregate disbursement. IBRD has assisted in the Tarai seeds project in Uttar Pradesh for which the agreement was signed in June 1969 for a total amount of Rs 9.75 crores (\$ 13 m.). Beginning with June 1970,

IDA has sanctioned 9 loans, one each for Andhra (\$24.40 m.), Gujarat (\$ 35 m), Haryana (\$ 25m), Maharashtra (\$ 30 m), Mysore (\$ 40 m), Punjab (\$27.50 m), Tamil Nadu (\$35 m) and market development in Bihar (\$ 14 m) and an Agro Aviation Project (\$6m). During the year, two more credit projects, one for minor irrigation in the 14 eastern districts of Uttar Pradesh (\$ 38 m) and 34 districts of Madhya Pradesh (\$ 33 m) and the other for market yards development project in Mysore State (\$ 8 m) were negotiated and signed with the IDA. The credit for Uttar Pradesh and Madhya Pradesh will become effective in October 1973 and that for Mysore markets by August 1973. A significant feature of the schemes for minor irrigation development, particularly in the Madhya Pradesh Agreement, is the increased role assigned to commercial banks for the fulfilment of the programme. As a result of the discussions with their representatives from time to time, IDA have agreed to relax some of the stipulation in the Agreements relating principally to the extent of down payment by beneficiaries of the scheme. In the case of investments in a tractor, a harvester, a tubewell or a lift irrigation scheme, the reduction in down payment was from 20 per cent to 15 per cent. Similarly for investments by other borrowers in a pumpset or a filter point, their contribution was reduced from 20 per cent to 10 per cent. For labour intensive minor irrigation works costing upto Rs. 10,000 and for land levelling, the contribution by small farmers will be 10 per cent only as against 20 per cent required to be made by the other farmers. These contributions may be in the form of farmers' own labour and will be inclusive of the share capital contribution mandatory for borrowings from the land development banks.

Disbursements in these projects related mainly to minor irrigation and land development. Though the credits included assistance for equipment such as tractors and harvesters, the disbursement in respect of these has been modest since procedural details are yet to be finalized. The minor irrigation programme under the Haryana Project has been completed and that under the Gujarat, Andhra Pradesh and Tamil Nadu Projects is likely to be achieved well ahead of schedule.

Statement 9 indicates the progress in the implementation of Projects assisted by IDA. Compared with Rs. 5.37 crores disbursed by the Corporation during the previous year, the Corporation disbursed Rs. 63.58 crores during 1972-73. The drawal during the year included a sum of Rs. 34.28 crores provided to land development banks in Andhra Pradesh, Gujarat, Haryana and Tamil Nadu against the technically sound loaning initially made by them as a part of their normal business or under ARC approved schemes and then brought under the IDA Projects. Of these, Rs. 29.42 crores was provided to redeem the ordinary debentures already floated by them against this loaning. Under the agreements signed so far, assistance from the IDA would aggregate \$ 316 million (Rs. 237 crores) and the extent of investment at the level of the beneficiaries including their contribution would be Rs. 397 crores (statement 10). Proposals for further IDA assistance are under consideration of IDA, the Government of India and the Corporation.

#### The Future Perspective

Actual disbursements during the first four years of the Plan (April 1969 to March, 1973) have aggregated Rs. 160 crores. During the current financial year (1973-74), the Corporation has already disbursed Rs. 36 crores by end of July 1973. A further Rs. 90 crores is to be disbursed by March 1974 making a total of Rs. 126 crores for 1973-74. Aggregate disbursement during the Fourth Plan period will, therefore, be Rs. 286 crores.

The Corporation has proposed a more ambitious programme during the Fifth Plan. A Working Group set up by the Planning Commission had provisionally envisaged disbursements amounting to Rs. 400 crores by the Corporation during the Fifth Plan period. It is, however, felt that the Corporation can do more than was implied in that figure. The Corporation's optimism is based on (a) its recent performance, (b) improvement in the mechanism of lending by the land development banks involving greater participation by the Corporation in their debenture programmes and (c) the larger demand for financial assistance from the Corporation induced by wider regional spread and diversification of the farm investment pattern.

Of the various purposes of refinance, minor irrigation will continue to receive prime importance. The magnitude of unutilized groundwater resources in the country is large enough to absorb sizeable investment outlay in the next few years. Groundwater development programmes deserve particular emphasis in the Central, Eastern and North-Eastern regions. Apart from exploiting groundwater by means of constructing dugwells and tubewells and installation of pumps on such wells, lining of field channels, supply of sprinkler sets and shaping of irrigable land would improve the efficiency of irrigation from groundwater resources. At the same time the Corporation will prefer, as far as is possible and feasible, area development schemes for balanced and integrated development of local resources.

In the Southern, Western and Northern regions, the scope for further large scale exploitation of groundwater is relatively limited. The main thrust of the Corporation's efforts in these regions will be directed at securing diversification of agricultural investment, e.g., dairy, poultry, piggery, fishery, sheep breeding and forestry. Even in these fields of diversification emphasis will be placed on area development based on exploitation of local resources and skills.

To achieve the business objectives set forth above, it is proposed to initiate action at different levels, both outside and within the Corporation. At the state government level the Corporation would stress the establishment or strengthening of groundwater directorates for a systematic assessment of the groundwater potential. Efforts will also be made to secure improvement of revenue records so that the procedural delay involved in obtaining the necessary documents for established ownership or possession rights may be cut down to the minimum. It is also proposed to persuade the state governments to re-orient their agricultural extension services in the areas of sanctioned schemes so that the benefits of scheme investments may be quick and optimal. Assistance will be extended to the state governments to prepare more schemes which are technically and economically viable for the SFDA/MFAL areas; the present concession of 100 per cent refinance applicable to these schemes will be continued upto June 1975 which corresponds to the date upto which these projects have been sanctioned by the Government of India. The Corporation has proposed an amendment to its act in regard to the provision of the type of security required to be provided by the eligible institutions. This amendment would vest in the Board of the Corporation necessary discretion to grant refinance accommodation to eligible institutions without insisting upon landed security or government guarantee. The new approach would enable the Corporation to ensure a larger flow of credit particularly to small farmers and agricultural labourers, who may not be in a position to offer adequate security for the loans which they require for undertaking subsidiary business such as poultry, dairy, etc.

At the level of the land development banks, it is proposed to launch a four-pronged programme with emphasis on techno-economic appraisal and follow-up of schemes, training of personnel and strengthening of the manage-

ment cadres. This programme should enable the land development banks to handle a larger credit programme with greater efficiency.

It is proposed to associate commercial banks to a much larger extent than hitherto, in particular, for financing projects involving bulky investments, such as forestry development and diversified programmes like animal husbandry, fishery and storage facilities. Their participation in minor irrigation and land development would also be secured, especially in those areas where the co-operative credit structure is weak. Their large deposit resources and their ability to provide both investment and working capital finance for a wide variety of activities would usefully complement the technical assistance of the Corporation and the extension services of state governments.

Within, the Corporation is preparing itself to handle much larger and diversified lending programmes. The Corporation has already taken several decisions to streamline its procedures, rules and work-flow relating to sanctions, security, documentation, disbursement, follow-up and storage of information. These decisions are expected to cut down sharply the present time-lag between the conception of a scheme, its submission to the Corporation, its implementation by the financing bank and the reaping of its benefits. To assist the state governments in the Eastern and North-Eastern regions in a bigger way, a second unit of the Technical Consultancy Service will be established shortly in Calcutta. This unit will be manned to begin with by a hydrogeologist, a credit specialist, a horticulturist and an agricultural economist. The unit may be expanded to include other specialists as and when necessary. The organizational structure of the Central Office and the functioning of the regional offices of the Corporation are being modified in tune with future requirements. The reorganised regional offices are expected to provide more effective assistance to state governments and banks in the formulation of new projects. The reorganization and restructuring are being carried out in consultation with an informal Review Committee which was appointed in March 1973 and with the involvement of the Corporation's staff at various levels. This process is likely to be completed by the end of December 1973.

The Corporation hopes to step up its refinance assistance from Rs. 94 crores in 1972-73 to Rs. 120 crores in 1973-74 and further to Rs. 150 crores in 1974-75. Appropriate business plans are being drawn up on the basis of these estimates.

#### **Administration and Accounts**

*Membership :* Two more banks, viz., Meghalaya Co-operative Apex Bank and the Himachal Pradesh Central Co-operative Land Mortgage Bank became members of the Corporation during the year. The total membership of the Corporation now stands at 110. The list of shareholders as on 30 June 1973 is given in statement 12.

*Board of Directors :* Dr. R. K. Hazari, Deputy Governor of the Reserve Bank of India, was nominated as Chairman of the Corporation from 16 March 1973 under Section 10(a) of the Act *vice* Shri P. N. Damry.

The term of office of elected Directors expired on the day of the ninth annual general meeting and the following Directors were elected:

under Section 10(d) of the Act, Shri B. S. Vishwanathan in place of Shri N. A. Kalyani to represent central land development banks.

under Section 10(e) of the Act, Shri M. R. Patel (re-elected) to represent state co-operative banks.

under Section 10(f) of the Act, Shri T. R. Varadachary in place of Shri M. G. Parikh to represent scheduled commercial banks, LIC, insurance and investment companies.

During the year, the Government of India nominated Shri Tribeni Prasad Singh as a Director in place of Shri T. P. Singh in terms of Section 10(c) of the Act.

Shri M. A. Chidambaram was appointed by the Reserve Bank of India as Managing Director of the Corporation with effect 12 January 1973 in place of Shri K. Madhavan Das.

The Directors place on record their deep appreciation of the valuable services rendered to the Corporation by Shri P. N. Damry, Shri N. A. Kalyani, Shri M. G. Parikh, Shri T. P. Singh and Shri K. Madhavan Das.

*Regional Offices :* The Corporation opened its fifteenth Regional Office during the year at Gauhati.

*Use of Hindi :* The Corporation has been represented on the Official Languages Implementation Committee of the Reserve Bank of India to popularise the use of Hindi in the day-to-day working of the Corporation. All the letters received in Hindi are answered in Hindi. All the official notifications, press communique, etc., are published simultaneously in English and Hindi. The Corporation's annual report is published both in English and

Hindi Steps for popularising the use of Hindi and training facilities in Hindi for members of staff are being taken in consultation and association with the Reserve Bank of India.

*Rate of Interest :* The Corporation raised its lending rate from 6.50 per cent per annum to 7 per cent with effect from 25 June 1973.

*Accounts :* The net profit of the Corporation during the year 1972-73 available for appropriation amounted to Rs. 64.00 lakhs after providing Rs. 17.65 lakhs towards special reserve being 10 per cent of the current profits permissible under the Finance Act. The Directors recommend appropriation of the profits as under :

	Rs. lakhs
Transfer to Reserve Fund	20.25
Dividend on shares	43.75
	<hr/> 64.00 <hr/>

On behalf of the Directors

R. K. HAZARI

Chairman

14 August 1973

ANNEXURE I

REPORT OF THE AUDITORS

We have examined the annexed Balance Sheet of the Agricultural Refinance Corporation as at 30 June 1973 and also the annexed Profit and Loss Account of the Corporation for the year ended upon that date, and report that

1. We have obtained all the information and explanations which we have required and have found them to be satisfactory.
2. In our opinion, and to the best of our information and according to the explanations given to us and as shown by the books of the Corporation, the Balance Sheet is a full and fair Balance Sheet containing all necessary particulars and properly drawn-up in accordance with the Act and the General Regulations of the Corporation, so as to exhibit a true and fair view of the state of affairs of the Corporation.

## PANJAB UNIVERSITY (CHANDIGARH)

No. 30-73/GR.—The Central Government (Ministry of Education and Social Welfare) have accorded approval vide their letter Nos. Dy. 6134/73-U.1, dated 13-9-1973 and F.3-48/73-U.1 dated 26-9-1973 to the following Regulations 4.3 and 12.6 of the Chapter VIII(E) 'Regulations to Govern Service and Conduct of Teachers in Non-Government Affiliated Colleges' at pages 176 and 178, of the Calendar Volume I, 1973 :—

4.3. A teacher appointed *temporarily or on probation* shall be entitled to summer vacation salary as under :—

- (a) (i) Those who complete nine months service—Full salary.
- (ii) Those who complete service for three months or more but less than nine months—Proportionate salary on the basis of full salary for nine months.

Provided that—

1. a teacher who has served for less than three months will not be entitled to any salary for the period of summer vacation.

2. An appointment (temporary or on probation) of a teacher made against a substantive post, shall be on whole-time basis and if the same teacher is appointed in the following year also, he shall be entitled to full salary for the summer vacation irrespective of the period of service upto the date of Commencement of the summer vacation, and the period of temporary service shall count towards his confirmation.

3. a permanent teacher in continuous service shall be entitled to full vacation salary.

4. no one shall draw salary for the period of summer vacation from two sources.

5. if a teacher leaves service of his own accord, he shall not be entitled to summer vacation salary or any portion thereof.

12.6. If the Vice-Chancellor or his nominee, as the case may be is satisfied that the constitution of the Committee within one month of the date of letter referred to in Regulation 12.2 or a decision by the Committee within two months is being delayed due to non-co-operative attitude of any of the parties or their nominee, he shall be competent to give an award in the case himself.

M. M. SHARMA  
Deputy Registrar (General)

Chandigarh :

Dated : October 4, 1973.

Sealed in my presence with the Common Seal of Panjab University this day the 4th of October, 1973.

JAGJIT SINGH  
Registrar

For Personnel Manager.

#### BEFORE THE RAILWAY RATES TRIBUNAL

(Public Notice issued under Rule 19(3) and (4) of the Railway Rates Tribunal Rules, 1959)

Complaint No. 1 of 1973

(Secunderabad)

The Andhra Pradesh Paper Mills, Limited,  
Rajahmundry Complainant

Versus

The Union of India owing the South Central  
Railway and represented by its General  
Manager Respondent

WHEREAS the Complainant, which is a registered public limited company, set up in 1964, for the manufacture of paper, paper boards and allied products, has filed a complaint under Section 41(1) of the Indian Railways Act, 1890, stating that the complainant gets about 25,000 tonnes of bamboo cuts annually from several stations like Nandval, Gazulupalli, Basavapuram, Digu-vanetta, Cambum, Markapur Road, Chelama, on the Guntakal-Guntur Metre Gauge Line of the South Central Railway, to its factory at Rajahmundry on the Broad Gauge, the loads being transhipped at Tadepalli; that according to I.R.C.A. Goods Tariff No. 33 Part II, bamboo cuts as raw materials for the manufacture of paper is charged at Class 60 for smalls and at Class 40 for wagon loads; that a minimum weight condition of 90 quintals for MG is attached for obtaining the wagon load rate; that this weight condition for MG is however reduced to 60 quintals for the complainant's traffic from the above stations; that it is not possible to meet even this reduced weight condition in spite of the best efforts to load fully; that the complainant is able to load only between 45 and 50 quintals in a four wheeled MG open wagon, which drops down to 25 to 38 quintals in the case of four-wheeled MG covered wagon which is also offered by the respondent for the carriage of the complainant's bamboo cuts between the aforesaid stations and Rajahmundry; that there is a variation in the basis of freight charged levied for the carriage of bamboo cuts between a four-wheeled BG and a four-wheeled MG wagon—the former being on the floor area of the wagon which is advantageous and the latter on the minimum weight of 60 quintals which is unreasonable; that the complainant have also been subjected to undue or unreasonable prejudice or disadvantage in that while West Coast Paper Mills Ltd. Dandeli, has been prescribed the minimum weight of 55 quintals, for a four-wheeled MG wagon for similar traffic of bamboo, the complainant is prescribed by the Respondent the minimum weight of 60 quintals, there being no difference at all in the condition or equality of the bamboo cuts loaded; that there has, therefore, been a contravention of the provision of Section 28 of the Indian Railways Act by the Respondent.

AND WHEREAS the Complainant has prayed for

1. declaring that the Respondent is charging for the carriage of its traffic in bamboo cuts from each of the stations mentioned above to Rajahmundry a rate which is unreasonable,
2. fixing reasonable rate thereof from the date of complaint,
3. directing the respondent to desist from contravening Section 28 of the Indian Railways Act, 1890; and
4. for other reliefs.

AND WHEREAS it is thought that there may be persons who are not on record, but have the same interest in the proceedings as the complainant or the respondent abovenamed:

This public notice is, therefore, given so that any person who desires may petition the tribunal within thirty days of the publication of this notice for leave to intervene in support of or in opposition to the reliefs sought for in the Complaint or be added as a party on the side of the Complainant or Respondent setting forth the grounds of the proposed intervention on the position and the interests of the petitioner in the proceedings on the grounds for being added as a party in the above complaint. Any decision given by the Tribunal after this public notice shall apply to all such persons.

Given under my hand and seal of this Tribunal, this 9th day of October, 1973, at No. 11 Boat Club Road, Raja Annamalaipuram, Madras-28.

Sd. ILLEGIBLE, Secretary,  
Railway Rates Tribunal
